Impact Cheer Elite

2018-2019

This letter is to introduce you to **IMPACT** Cheer Elite, a competitive cheerleading team from Define Yourself LLC located in San Tan Valley and East Mesa, Arizona. **IMPACT** Cheer Elite is a group of talented athletes who have joined to make the 2018-2019 competitive cheer team where they are required to live above reproach and **IMPACT** their community through a positive example. This year **IMPACT** Cheer Elite will perform at local events, volunteer their time to help others, maintain good grades and grow through a positive attitude. **IMPACT** Cheer Elite's goal is to train athletes, build character and invests in each and every athlete.

The activities and year long commitment to such a cause are costly, in effort to afford these opportunities to every athlete, the teams will participate in numerous fundraising opportunities throughout the year, to include obtaining sponsors. We are hoping that individuals, organizations and businesses will help to sponsor each team and athlete for competitions, performances, activities and uniforms. In turn sponsoring businesses will receive valuable advertising. Pink and Orange sponsors will appear on our sponsor t-shirt and website. Sponsor t's will be worn to participating events, including 7 instate competitions, community events & parades. Teal sponsors will receive the same advertising benefits as Pink and Orange with the addition of a custom banner hung in our gyms with over 300 families in attendance. As an advertise expense; your tax deductible donation will be greatly appreciated.

Sponsorship money donated will go to the designated athlete from **IMPACT** Cheer Elite. If you would prefer to designate your donation for the entire team, donations will then be divided equally among members in a general account. Each and every donation will help afford wonderful opportunities and experiences that will empower these cheerleaders to be exemplary members of our community.
